

# The 8x8 eXperience Communications Platform™

## X Series service plans

### Modern communication experiences powering business agility

The eXperience Communications Platform™ is the first and only XCaaS platform on the market. It empowers enterprises with modern communication experiences, eliminates organizational silos, boosts employee productivity, delights customers, and unifies data to reveal deeper insights for smarter decisions and a more agile business.

One integrated platform also enables a single integration framework to connect to productivity tools like Microsoft Teams and CRM apps with your communications across all functional areas, saving implementation time and maintenance dollars. Embeddable APIs enable low-code, no-code customized experiences, especially in the contact center with more robust omnichannel possibilities.
