

Next-Generation Dedicated Internet Faxing

AireSpring brings faxing into the 21st century, with AireFAX™, our new SMTP enabled fax to email service. Using the same messaging protocol as an ordinary email, AireFAX delivers your faxes digitally. You can send and receive faxes from your email, for the maximum in ease and flexibility. Dedicated AireFAX lines are now available as a stand-alone product or as an add-on to any of our services.

FEATURES

- Simplified, and Easy to Use:**
 No need to wrestle with outdated technology, AireSpring makes Faxing easier than ever.
- Email Integration:**
 Send and receive faxes using your email account. Faxes are automatically converted to PDF format, and can be easily forwarded.
- Online Portal:**
 Manage, view, and download your faxes from our easy to use online resource center. Free with our dedicated AireFAX lines.
- Automatic Forwarding:**
 Set up email addresses to automatically receive forwarded copies of incoming faxes, so you'll always have a backup copy.

THE AIRESPRING ADVANTAGE™

Fully Managed Network with QoS

Our fully managed, owned and operated IP network with end-to-end QoS provides exceptional voice quality. Multi-carrier and multi-network redundancy delivers maximum security and uptime (available with AireSpring Managed Connectivity).

Eliminate Finger Pointing Between Providers

All services are delivered by a single vendor on a fully managed network, allowing you to avoid the finger pointing that can occur when multiple vendors are involved (available with AireSpring Managed Connectivity).

Reliable and Diversified Network

AireSpring's geo-redundant network provides true network diversity and supports disaster recovery options, helping to ensure business continuity.

FREE On-Premises Enterprise-Grade Router/Gateway

We provide a fully managed, enterprise-grade router/gateway to manage VoIP and Data traffic, (available with AireSpring Managed Connectivity).

Online Access via our AireCare™ Customer Portal

Our advanced online billing reporting portal provides 24/7 access to your billing and service details.

Free 24/7 Proactive WAN Network Monitoring Service

Our Managed Connectivity services include free 24/7 professional monitoring with the AireNMS network monitoring service. Our NOC proactively monitors your network to pinpoint and fix potential problems before they affect your business (available with AireSpring Managed Connectivity).

Personalized Service

AireSpring delivers outstanding customer service, featuring one bill and a single point of contact for all your service needs.

AireSpring has received numerous industry awards for "Product of the Year," "Best Telecom Deal," "Members Choice Top Reseller," "Best in Show," and "Top Channel Program."
