

Connect to the Internet with Fixed Wireless Access

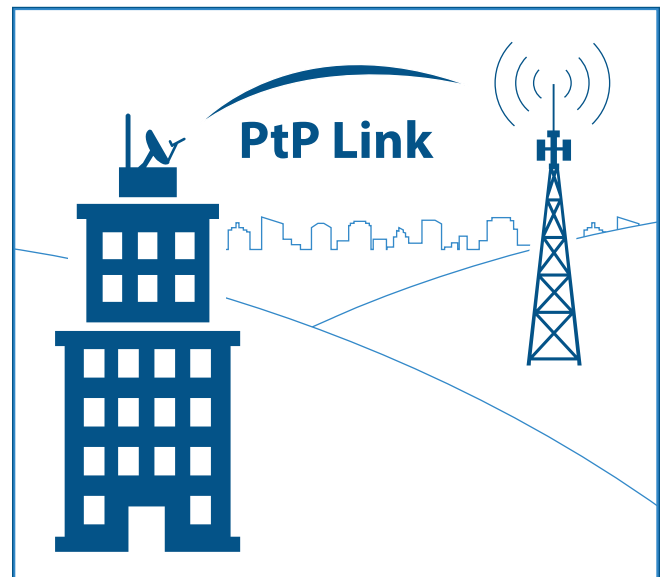

AireSpring offers multiple fixed wireless solutions for places where fiber internet is prohibitively expensive to lay and maintain. Delivered via point to point and point to multi-point technologies through aggregated wireless internet service providers (WISP), AireSpring Fixed Wireless solutions are ideal for:

Fixed locations where fiber buildouts are too costly

- ▶ ATMs
- ▶ Digital Signage
- ▶ Kiosks
- ▶ Pop Up Retail

Locations where fiber has yet to be installed

- ▶ Construction sites
- ▶ Convention Centers
- ▶ Agricultural enterprises

*DIA Fixed Wireless - Similar to Fiber Ethernet
Symmetrical 5mbps to 1gbps+*

Benefits

- ▶ **Quick Activation:** Fast turn up times with easy and flexible implementation
- ▶ **Save Money:** Utilize for the most challenging locations and avoid costly fiber internet
- ▶ **Strong Performance:** Fixed wireless broadband connection speeds are similar to fiber
- ▶ **Reliable Connection:** Less latency and packet loss than satellite and with no data caps!
- ▶ **Comes with AireSpring white glove service and 24/7/365 support!**

Fixed Wireless Access provides cost-effective, reliable internet access in locations where wirelines are not feasible. AireSpring provides the white glove support to ensure your connectivity rolls out smoothly and your enterprise stays connected 24/7/365!

The AireSpring Advantage

Experience and Stability

AireSpring is an established name in the industry that you can count on for your communications. We've been around for over 21 years as a profitable and debt-free company and currently process over 6 billion calls per month on our carrier-grade network.

Eliminate Finger Pointing Between Providers

All services are delivered by a single vendor, allowing you to avoid the finger pointing that can occur when multiple vendors are involved (available with AireSpring Managed Connectivity).

Personalized Service

AireSpring delivers outstanding customer service, featuring one bill and a single point of contact for all your service needs.

Online Access via our AireCare™ Customer Portal

Our advanced online billing reporting portal provides 24/7 access to your billing and service details.

Escalation List Up to Our CEO

We stand behind our service 100%! In fact, we're so committed to ensuring complete satisfaction that we provide all of our customers with an escalation list giving you access to our executive management all the way up to our CEO.

24 Hour Help Desk

Our dedicated Help Desk is available 24/7, 365 days a year, to solve problems, answer questions, and provide quality customer service.

Add a New Layer of Back Up with Wireless Managed Failover

In addition to our Wireless Data Service, we are now offering Wireless Managed Failover! This new failover solution provides an added layer of security and back up for business continuity and disaster recovery measures. If you already have a circuit with us, then adding Wireless Managed Failover is an easy, inexpensive way to protect that circuit via a powerful wireless back up connection.

AireSpring has received numerous industry awards for "Product of the Year," "Best Telecom Deal," "Members Choice Top Reseller," "Best in Show," and "Top Channel Program."
